Overall Performance (KPIs)

Total Orders 1.365K	Total Customer 1.13K	Total Products 913	Sales Amount 1.92M	Profit 224.08K
--------------------------------------	---------------------------------------	-------------------------------------	-------------------------------------	---------------------------------

- Total Orders: 1.36K
- Total Customers: 1.13K
- Total Products: 913
- Total Sales: 1.92M
- Total Profit: 224.08

Profit margin remains healthy across most product categories.

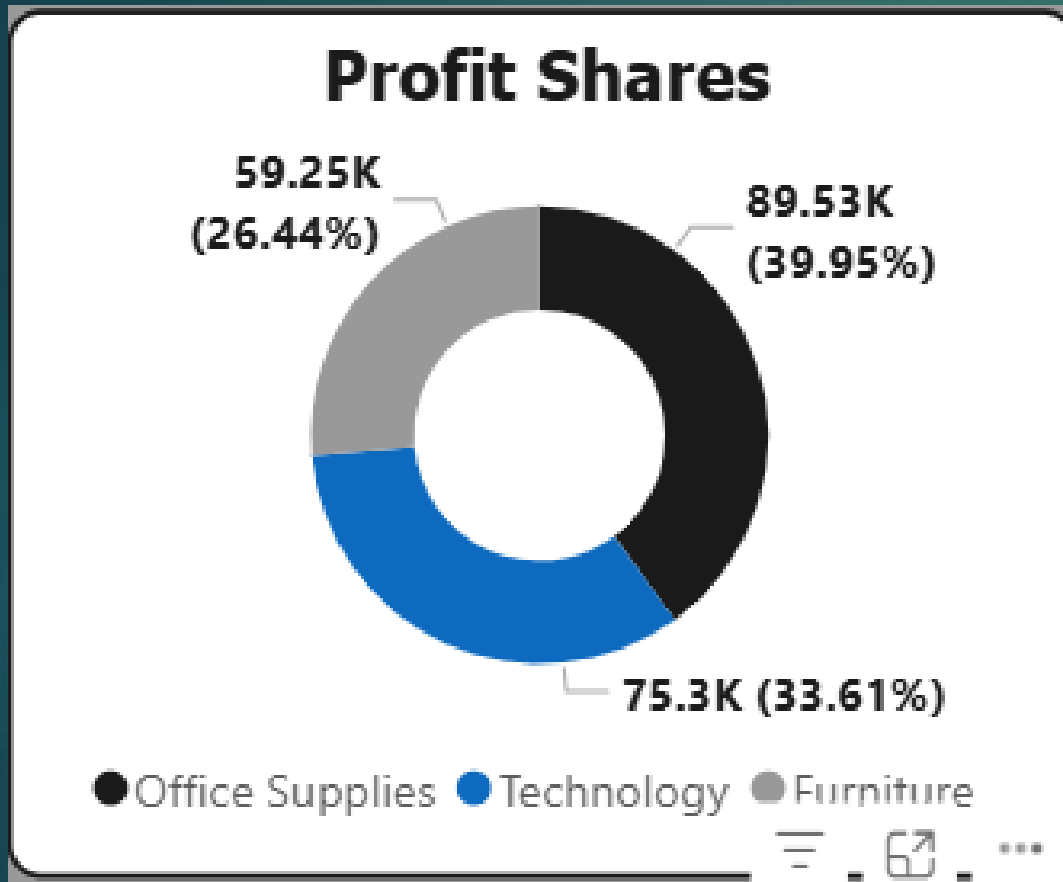

Sales & Profit Trend Analysis

- Sales and Profit show monthly fluctuations
- April recorded the highest sales and profit
- Slight decline observed in May, followed by recovery in June

Indicates possible seasonality or promotional impact in April.

Profit by Product Category

- Office Supplies contributes the largest share of profit
- Technology follows closely
- Furniture generates comparatively lower profit

Focus on improving margins in Furniture or
Expanding high-performing Office Supplies products.

Top Products Performance

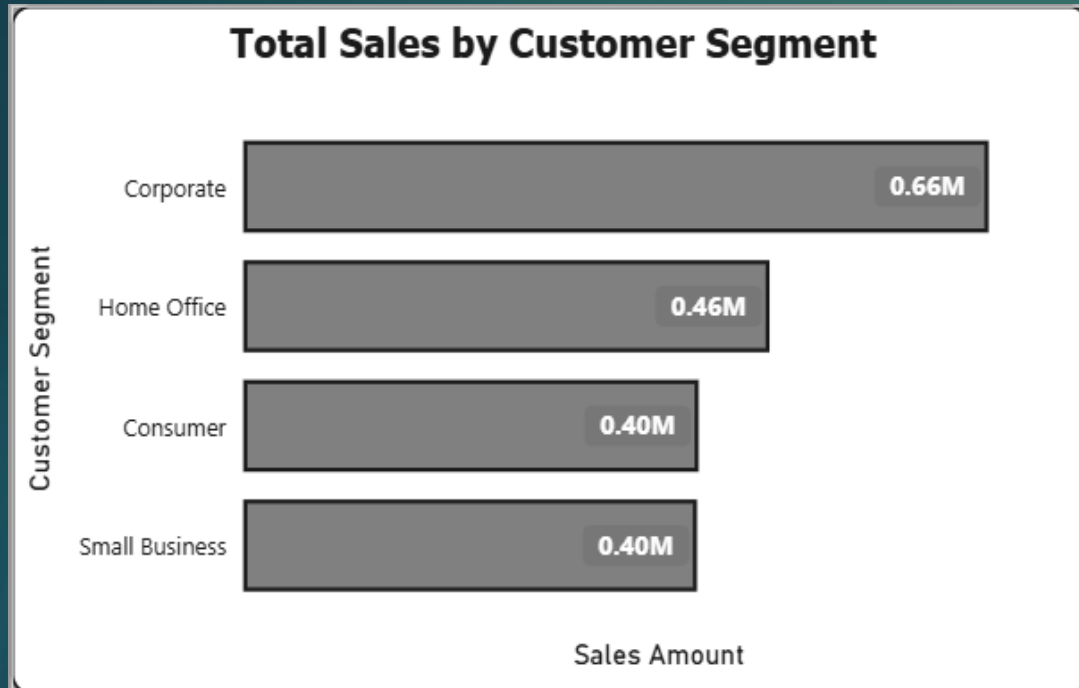

Top 5 Selling Products	Total Sales	Total Profit
Fellowes PB500 Electric Punch Plastic Comb Binding Machine with Manual Bind	45,737.33	9,228.23
Lexmark 4227 Plus Dot Matrix Printer	43,046.20	4,073.25
Okidata ML395C Color Dot Matrix Printer	31,670.60	2,028.12
Global Troy™ Executive Leather Low-Back Tilter	29,718.53	4,260.11
Economy Rollaway Files	27,587.55	2,008.71
Total	177,760.21	21,598.42

- A small number of products contribute a significant portion of sales
- High-selling products are not always the most profitable

Opportunity to:

- Reprice low-margin best sellers
- Promote high-margin products more aggressively

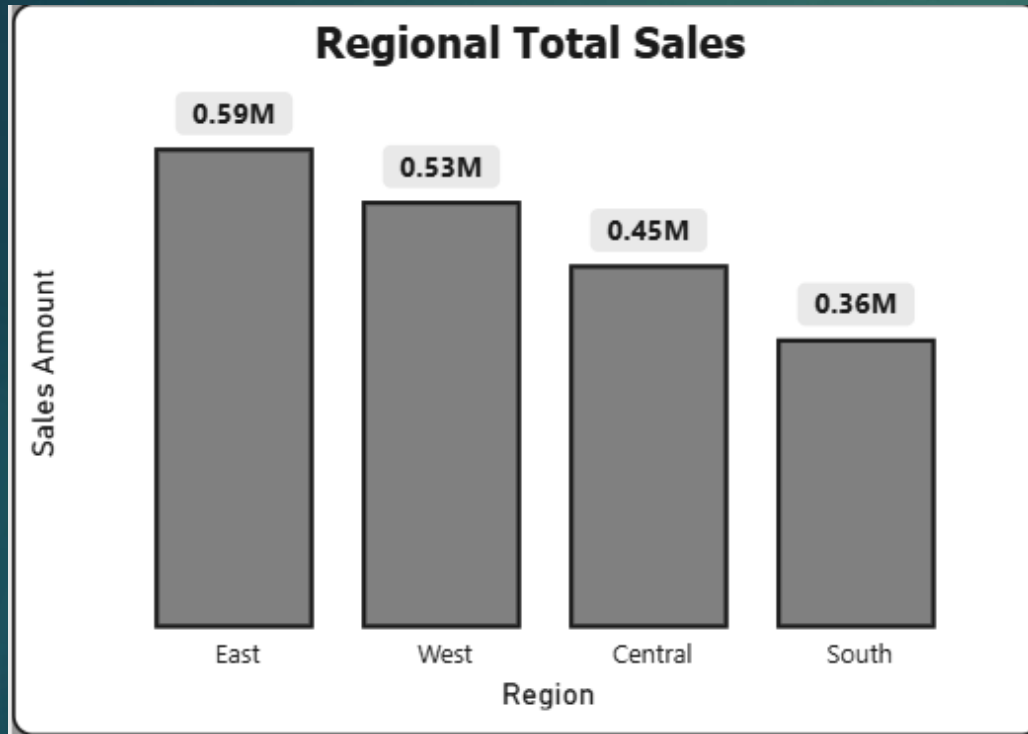

Customer Segment Analysis

- Corporate segment is the largest contributor (~0.66M sales)
- Home Office and Consumer segments show moderate performance
- Small Business contributes steady but lower sales

Corporate customers should remain a key strategic focus.

Regional Sales Performance

- East (0.59M) and West (0.53M) lead total sales
- Central and South regions underperform comparatively

Potential growth opportunity through targeted regional strategies.

State-Level Insights

Sales by States									
California	Illinois	Michigan	Ohio	District of Columbia	Massachusetts	Pennsylvania			
	98.97K	69.64K	69.45K	68.95K	59.11K	52.4...			
	Texas	Alabama	Minnesota	Kansas	Utah	Oregon			
	93.08K	46.83K	41.67K	29....	26...	25...			
	Florida	Colorado	Indiana	Nevada					
288.31K		45.84K	41.09K	21...					
New York	Virginia	Tennessee	Louisiana						
	87.65K	45.28K	Georgia	Arizona					
	Washington	North Carolina	Maine	Idaho					
	83.47K	43.98K		Ver...					
223.93K									

- California and New York are the top-performing states
- Sales are concentrated in a limited number of states

Regional dependency risk exists - diversification may be needed.

Key Business Recommendations

1. Strengthen focus on Office Supplies and Technology
2. Expand sales efforts for Corporate customers
3. Investigate April's peak performance drivers
4. Improve profitability of Furniture category
5. Develop growth strategies for Central and South regions

Conclusion

- The dashboard provides clear visibility into sales drivers
- Data supports informed decisions on products, customers, and regions
- Further analysis (YoY trends, profit margins) can enhance insights
